

Re: Playground Fiber

To whom it may concern:

Our Playground Fiber is certified 100% clean wood product ground to size. It meets all California state and ADA requirements. We have supplied numerous schoolyards throughout California ranging from the Livermore Unified School District to the San Luis Obispo Coastal Unified School District with this beautiful and functional product. The cedar species is an industry standard for Playground Fiber. It has a variety of light and dark tans.

- **Playground Fiber is light and dark brown**
- **The particle sizes range from 1/2 " - 2 "**
- **The average full load size is 100 cy**
